

THE CHRISTIAN COLLEGE HAS THE SUPREME CALL AND THE SUPREME OPPORTUNITY OF THE HOUR

says President W. O. Thompson of the Ohio State University.

By this Dr. Thompson means that the fundamental need of those who are being prepared for the larger leadership is the advantage of Christian training based on the revealed will of God.

This is the task set before the Educational Institutions of our Church. They need and deserve your interest, prayers and active assistance.

See that the boys and girls of your church are guided to our own Seminaries, Schools and Colleges.

By means of "The Student Loan Fund" the youth from poor homes of the Church may have a chance in our own Colleges or in the Junior and Senior year of our Junior Colleges.

Write at once to the institutions of your choice for catalogue and other information.
